

Hutt Central School Newsletter No 20 - 31st July 2008

Dear Parents/Caregivers,

What a miserable start to Term 3 - weatherwise - let's hope things start to clear soon. Despite the weather, programmes and activities continue on at school - the senior syndicate even had their Mini Olympics yesterday - inside!

Arriving Early at School

Officially school is not open until 8.30am. We do have a number of children who are arriving as early as 7.30am.

Some or most classrooms will not be unlocked until 8.30am.

There is no adult/teacher supervision until 8.30am and therefore we cannot take responsibility for safety and care of children.

Before School Care is available for those parents who need to get to work early. If you require this service please contact Sue Blackett 938 4038 or 021 2126321.

Travel Plan - Walking School Buses

You may remember that last term our school was lucky enough to be chosen to join a council initiative called 'Travel Plan' looking at the safety of getting to and from school and encouraging walking to school.

The survey many parents filled out has been analysed and collated. Copies are available for viewing in the foyer.

More information around some promotions and activities will be coming out soon.

Parent Interviews

Mid year progress interviews will be held on **Thursday 28th August**.

School will close at 2.00pm on this day to allow interviews to start early.

We will be sending home a newsletter with more information about the interviews at a later date.

Driveway

Please **do not** use the school driveway or car park to drop off or pick up children before and after school, apart from the danger that it presents for children and other adults it also creates dangerous congestion in a very busy area.

School Lunches

School lunches are available on Fridays - a lunch menu has been sent home today including information on how to order these lunches.

Statements

These will be sent h
