

Dear Parents/Caregivers,

Hutt Central students have been lucky enough to be offered the opportunity to attend workshops at the Dowse over the next 2 months. There is no charge for these workshops as we are filling surplus bookings. Some information about the session is below.

The gallery session is in 'Once', an exhibition focused around a doll called 'Huttette' at 21years old. We will explore her life in a gallery and the adventures she got up to through climbing into the paintings and dressing up in costumes etc.  
The workshop aspect is making characters and props for a puppet theatre so that the students can create their own story/stories.

We will need the support of parents to help with walking to and from the Dowse. We depart school at 9.30 for the morning sessions and 12.30 for the afternoon sessions.

Your classes visit is outlined below;
