

Hutt Central School Newsletter No 9 Term 2 25th June - 29th June 2018

Kia ora tatou,

Today we held our celebration for achieving the next level of our Volume of Values token system in relation to our values of respect, responsibility, resilience and creativity. Thank you to our students for achieving their reward of magnificent movie time! This is a very special celebration that everyone is working towards through 'living by' our values at our school.

Parent Teacher Interviews

It has been great to see a large number of families coming to school for the parent teacher interviews yesterday and we look forward to seeing more of you this evening. This is a great opportunity for us to give more information, answer questions and celebrate your child's learning. We are seeking feedback on our reporting process as this is a new format which we hope gives you clear information about your child's learning and progress (Refer to link below). The feedback will be used to help us develop our end of year reporting process.

Automated Emergency Defibrillator (AED)

On Friday of last week we were presented with a Defibrillator from Fire and Emergency and a secure box from the Capital Quad club. We are extremely grateful to these organisations for providing the AED set up. This has been installed on the wall at the office entrance of the school to serve as a community resource. The AED is registered on the locator App to give the public access.

Positive Behaviour 4 Learning (PB4L)

As part of our Positive Behaviour 4 Learning (PB4L) we are looking at some potential concept designs for signage that will promote PB4L and our values. Is there anyone in the community who is a designer (or graphic designer) who would be happy to look at a concept we have for a design for our school values signage? Please let Penny or Jo at the school office if you can help us or if you would like more information.

Paid Union Meeting

The teachers who belong to the NZEI Union will be attending the second Paid Union Meeting for this year tomorrow, Friday 29 June.

We thank you in advance for your support and appreciate your assistance in helping us attend these meetings with our colleagues.

In order for our staff to attend the meeting for the afternoon of Friday 29 June, we ask that (if able) you pick up your child(ren) from their classrooms at 12:30pm. We will be providing supervision on the day for children who remain at school in the school hall. (You are able to pick up your child from the hall between 1 and 3pm). The school day will conclude at 3pm as usual.

Please indicate if you require supervision by email to admin@huttcentral.school.nz.

New Pupils

Welcome to Blake Jackson and Jackson Bell who have started at Hutt Central School this week. It is great to have you here.

Term 2 Tiniball and Basketball

Congratulations to the Junior and Middle Syndicate Tiniball teams and the Senior Basketball team for your enthusiasm and your very good play at Tiniball and Basketball this term. A very big thanks to the dedicated coaches, Jamie, Demelza and Richard for your time and expertise in coaching the students.

Thank you to Matthew Bate (Electrical Engineer) and Simon and Leila from Turn You On Electrical, who gave up their time to come and speak to the Middle Syndicate about their jobs. It was fascinating to find out about their work and find out information about electricity and circuits from experts!

Korokoro Kitchen lunches have been analysed by the heart foundation. Most of them have been rated 'eat everyday', because of both the product and the healthy side of fruit and vege we include with each lunch. There are a few favourite lunches that are rated 'eat sometimes' (because of the fat or salt content), we'll always let you know which ones those are.

Next week on the menu we have:

Monday - bagel bombs (ham and cheese)

Tuesday - free-range chicken mini pie (the butter pastry makes this a 'eat sometimes' menu option)

Wednesday - Nachos, with home-made corn chip

Thursday - Dumpling Day

Friday - toad in a hole (the sausage makes this a 'eat sometimes' menu option)
