

Hutt Central School

Empowering our children to meet the future with confidence

Hutt Central School Newsletter No 6 7th June - 11th June Term 2 2021

Kia ora Tatou,

I hope that you all had a restful weekend with the extra time Queen's Birthday provided. Thank you for supporting us on Tuesday for our Teacher Only Day. This was a great opportunity for us to work on our school direction, look closely at specific areas of the curriculum and carry out some emergency planning - including our evacuation walk to Jubilee Park.

Bring and Buy

Thank you to our community for supporting our Bring and Buy last Friday in which we raised \$2200 to go towards our next senior camp. This was a fantastic occasion for our students and community to participate in a market day - it was great to see our students supporting each other with their organisation and trading on the day - great responsibility / haepapa shown.

New Students

Welcome to Ari Buurman who has started at Hutt Central School this week. It is great to have you here.

Support Staff Week

We are very fortunate to have an amazing group of support staff here at Hutt Central School. They make the wheels go round and provide so much extra care and attention to all of our tamariki. We have taken some time this week to celebrate them and let them know how much we appreciate all that they do.

School Hoodies

With the colder weather coming we will be putting another School Hoodie order in soon. If you would like to order one, please complete and return the form at the end of this newsletter or pop into the office. School Hoodies came about from our students' work which persuaded us to provide this option for students and whanau at our school.

Assembly

Please join us for our School Assembly tomorrow (Friday 11 June) from 2:20pm in the school hall.

Reminders

- Paid Union Meetings for teachers are being held on 22 and 23 June. The school will remain open for these meetings.

Family Zone Offer

At Hutt Central School, we use a system called Linewize to ensure we have a safe digital system. We are able to filter and view what students are doing on the devices and are alerted to anything that may seem out of alignment with the learning.

We are pleased to announce that we are now able to offer a school-community approach to cyber safety. Family Zone Insights is a FREE pack available to all families at the school providing them with powerful insights to view internet usage on devices with Mobile Zone activated. This includes snapshots of usage and detailed reports, along with visibility into installed apps and (where activated by parents) device location. Please visit the Hutt Central School Cyber Safety Hub to find out more.
