Kia ora tatou,

We have achieved our Silver Level of the Volume of our Values! Thank you to all of our students for living by the values of Respect, Resilience, Responsibility and Creativity! We will have the reward of 30 minutes choosing time on Thursday 23 August.

Teachers' Strike

Thank you for your support yesterday with the NZEI Primary Teachers Strike Action. This was a significant day for primary teachers across New Zealand in which we were proud to take part, we sincerely appreciate the support of our community. Thank you to our support staff who were at school yesterday, working to organise systems and resources for our school.

School Donations

Thank you to all the families that have generously paid their voluntary donations already. The Board of Trustees have set the donation at \$45.00 per child per term, but we value all donations and appreciate your contributions. The donations go towards providing resources that we deem essential for our students' learning. Remember to keep your receipts and you are able to claim back the cost from your tax.

Our school account is Hutt Central School 06 0996 0379750 00. Please ensure you reference your child's name and donation.

If you have any questions, please talk to me or ask at the school office.

We appreciate your support and contribution to the school.

Great Students

Welcome to Paxton Dickens and Dontae Pedebone who have started at Hutt Central School this week. It's great to have you here.

Assembly

Please join us from 2:20pm in the hall for our assembly tomorrow.

Tackle Rugby

At the request of our students, we will be offering the opportunity to play tackle rugby on **Friday lunchtimes**. Students will need a change of clothes and a mouthguard every Friday. If students have the correct gear, I will consider this permission to play. I will be supervising the games.

Build! Build! Build!

We finally got a turn at Build and Play. Everyone was happy.
 On the first day I made a sword. I used hammers, nails and wood. It was raining.
 I saw Benji make a lazer gun. Duong made one as well.
 Next day we came back and everyone got back to work.
 I added some pipe cleaners to my sword then suddenly Duong's finger started bleeding. Jo came and helped Duong and he was fine.
 Then Duong and I went back to building but at the end of the day all thanks to Hutt City Council.
 My favourite part was I got to know a little more about building.
 George's Nona helped us and Jacobs Dad and also more people.
 I love building.

We Need YOUR Cans, Cause WE CAN!

We are joining in the Wattie's Cans for Good collection again this year to collect cans. Together we're helping to restock The Salvation Army food-banks nationwide to make a real difference to those in need in our community this winter. You can help families in need and give families the food they need.

Thank you for supporting us with this!

There is a spot in the school office where you can drop off your cans.

Our aim is to collect 300 cans by Friday 24th August.

Help us reach our goal! Together we can make a difference!
