

Hutt Central School

Empowering our children to meet the future with confidence

Hutt Central School Newsletter No 6 Term 6th June - 10th June 2022

Kia ora Tatou,

Today's weather gave us a lot of excitement as thunder sounded around us, with plenty of lightning flashes and we coped with a number of random deluges. I hope that everyone stayed warm and dry today!

Thank you to Sue and Caroline from Sue Allman Photography who have been setting us up and taking our photos this week. It was an experience to be arranged for a photo shoot that we will all get to enjoy when these are available later in the year.

NZEI Paid Union Meetings

Next week our teachers will be attending an online Paid Union Meeting. We have staggered these and will cover these within the school.

Lost Property

There are a lot of items in the lost property box that are looking for owners. It is located at the side entrance to the Library next to Room 3 if you would like to help your children look for things.

Assembly

We will send the link to tomorrow's assembly to you via email at 1:30pm.

Health Curriculum Information Evening

Thank you to the whanau who joined us for our Health Curriculum evening last night. It was great to come together and share the learning that we are working on with our students. We appreciated the questions and input of those who attended.

Matariki is coming up in wiki waru (week 8) !!!

We have a week of fun activities planned to celebrate the new year.

On Rāhina (Monday), 20th June we will be making a vegetable soup. We ask that you send your tamaiti/tamariki to School with a **root vegetable**, to contribute to the soup. We will peel these and add them to a soup which we will be able to have a taste of for lunch on Monday. Please note your child will still need to bring their lunch for the day.

On Rātū (Tuesday) 21st June in the afternoon, we will be having a construction day using natural materials. If you have any spare **yarn or wool** at home that could be donated please also send this in.

On Rāapa (Wednesday), 22nd June we will be doing some planting! If you have any **plastic pots** you could donate for these activities, please send them to school, so we can reuse them.

On Rāpare (Thursday), we will be sending out a video in place of assembly sharing our learning for the week.

Feel free to send any of the items in from next week.

Your child's classroom teacher will store these until they are needed during our Matariki celebrations.

GKR KARATE
KARATE FOR EVERYONE

There are over 600 muscles in the human body & you will use every one of them during an average karate class.

Karate is an excellent way to improve strength and fitness with many students reporting significant weight loss.

Karate kicking engages all muscle groups in the upper and lower abdominal areas & strengthens the lower back.

Enhanced flexibility from karate training can greatly increase posture & vitality.

Children who train in karate are much less likely to be bullied as they develop greater self-confidence & respect.

Children's school work & class behaviour can be greatly improved through karate's disciplined training environment.
