

Hutt Central School Newsletter No 6 30th August - 3rd September Term 3 2021

Kia ora Tatou,

I hope this Newsletter finds you all safe and well in your bubbles. It is encouraging to have a shift to Alert Level 3 this week and I am sure you will appreciate the progress our country is making in the Covid battle. I appreciate that some of our whanau will be back at their workplaces and this is a change which will require some adjusting.

We have opened our 'bubble class' and it is great to be back on site. Welcome back to Kathryn McCawe, Steph Campbell, Penny Holotau who have joined me in our school bubble at Level 3.

I thank our staff who are continuing to support our students with their home learning. I acknowledge the support and communication that you are having with us for your children's learning. Our value of resilience / manawaroa is to be celebrated at the moment, I am sure we are all having to think differently about situations that come up. I thank you all for taking care of yourselves, our families and those close to us.

If you need your child(ren) to join our bubble class because there is no adult available to take care of them at home, please email: admin@huttcentral.school.nz

Please note, the school site is still closed, only those students who are in the bubble class are allowed onsite.

If you require any support, please contact your child's teacher in the first instance, myself principal@huttcentral.school.nz and Steph Campbell campbells@huttcentral.school.nz are the next contacts for you.

Family Zone Offer

At Hutt Central School, we use a system called Linewize to ensure we have a safe digital system. We are able to filter and view what students are doing on the devices and are alerted to anything that may seem out of alignment with the learning.

We are pleased to announce that we are now able to offer a school-community approach to cyber safety.

Family Zone Insights is a FREE pack available to all families at the school providing them with powerful insights to view internet usage on devices with Mobile Zone activated. This includes snapshots of usage and detailed reports, along with visibility into installed apps and (where activated by parents) device location. Please visit the Hutt Central School Cyber Safety Hub to find out more.
