

Hutt Central School

Empowering our children to meet the future with confidence

Hutt Central School Newsletter No 9 Term 3 19th September - 23rd September 2022

Kia ora Tatou,

Room 6 have spent time working with Craig and I this week. We have looked at the bank area of the school and talked about how we can use this with whakaute / respect and haepapa / responsibility. Through our work we have decided that we can play on the bank as we will make sure we look after the plants and soil which help with erosion. There will be an area that will be roped off as we plant new seedlings to help with this area of the bank - we will keep out of this area. All of our students can look forward to using the bank from Monday.

Volume of our Values

We are really proud of our students for achieving the next bronze level so quickly. This is a great achievement with our students showing us their values. Well done to all of our students, next week we will have a double morning tea to celebrate.

Personnel

We have appointed Lizzy Butler to the role of permanent classroom teacher from the start of 2023. Lizzie has been working with us this year in a fixed term role in Room 8.

Parent Help with Reading Books:

In the past we have welcomed parent help with the sorting and returning of reading books for the teachers. This support had to stop during the period of covid restrictions, but now that these restrictions have been lifted due to current government policy, we are keen to return to this support again and invite volunteers to see Martin Hodge (Room 1) if you are available and keen to help. This job can be done any time during the week at a time that suits you, which could be first thing in the morning when you bring your child to school or for a few minutes before you meet them at their classroom. Any amount of time you can spare is welcome, even a few minutes is very much welcomed and helpful.

Please see Martin for more information and instruction. Thanks.
